Dear Sir,

Thank you for your recent e-mail regarding Mr Satpal Ram, whose licence was revoked by the Secretary of State, and I can confirm that Mr Ram is in custody following his arrest by the police.

In common with all life sentenced prisoners, where the life licence has been revoked, Mr Ram will be entitled to submit representations to the Parole Board regarding his recall to prison.

In so far as any criminal investigations relating to Mr Ram, these are still currently being investigated.

Yours
